ALWAYS CALL AHEAD
to schedule BODs *before* sampling
to avoid hold time disasters!

We routinely analyze for BOD on
Wednesdays, Thursdays, and Fridays
with a few exceptions. Please plan
your sampling and delivery so that
BODs are received **at the lab on
Wed, Thurs, or Fri within 20 hours of
Sampling.**

Holidays and other odd days:
Check this calendar for blackout dates
(in gray). If you must sample on a
blackout date, please call and check
your options. We make every effort
to accommodate your schedules
whenever we can.
